

Volunteering & Coaching at St Dominic

VOLUNTEERING

The success of St Dominic School, parish & sports is in large part due to the support of parents, guardians and adult volunteers. In order to help out around student activities, the Diocese requires volunteers to participate in the Virtus program. Our goal is to protect all of our children as best as we can and provide a safe and secure environment for all. These requirements may be added to at any point and may require additional Ohio Board of Education requirements if needed.

Volunteer Requirements

In order to volunteer around the youth of St. Dominic everyone must complete the following items prior to being involved:
