What is it that students are learning when they are doing these activities? The State HS League is the guide that helps with the athletic. League started a statement, why we play and why we do what we do. How to talk about failure and overcoming it. Try to focus on them to educational-base.	3 different activities oversee State HS League Activities: Mock trial and speech Fine Arts School: Marching band, jazz, concert, royal theatre troupe (play, musical, acting), variety of clubs unique to school (National Honor Society, Student Council, etc.) Different ways to advertise this through websites or lists, etc. Make it easy to start a new club. Looking for kids that have a common interest and a staff member to be an advisor. Important to get kids actively involved. Any way

	2. What are opportunities for kids with various activities? The Thunderbolts program - focus on athletic 3 seasons (soccer, floor hockey, & bowling/softball). Structure with practices and games (7-12th grade) ERHS - unified club; do different club activities together. May look into see if there are activities outside of the school. 3. What are options for students who don't make it on a team? Lower level - 9th/10th that doesn't make it. It's a space thing. WAA or Eastside may have opportunities. 4. Are there available funding for those who are not able to afford? HS policy - if student qualifies for reduced lunch, fees are waived. If a family qualified for reduced lunch, then \$30 reduced. Want to do whatever they can to help families in those situations.	to make them feel a part of the community and sense of belonging. Student Ambassador to help the new kids to get into the school. Elementary school - participate in the community programs during the summer, etc. Get a chance to meet the coaches and be a part of a positive culture. Support classmates such as attending a sports game, etc. Behind the scene - Athletic teams need managers (help during game days, etc.) or to be on the stage club.
