

Alpha Zeta Omicron Chapter Lambda Pi Eta

Date: April 22, 2022

Subject: **Lambda Pi Eta, The Communication Honor's Society at ENMU**
Attendance to The National Communication Association's Annual Conference, New Orleans, on November 17-20, 2022

Dear Friends of ENMU's Alpha Zeta Omicron (AZO) Chapter of Lambda Pi Eta (LPH):

I am pleased to announce that ENMU's AZO Chapter of Lambda Pi Eta will attend the **National Communication Association's Annual Conference in New Orleans from November 17-November 20, 2022**. The students will present scholarly research, network with national leaders in their discipline, and volunteer throughout the conference to gain invaluable experience with scholars and future colleagues. The AZO chapter organized this trip with great pride only one year after organizing ENMU's first Lambda Pi Eta chapter. 20 possible undergraduate and graduate members are eligible to attend the convention. They are scholastically diligent and passionate about exploring the field of Communications in their post-graduate lives. I hope we will receive community support to make this endeavor a reality.

I am writing you to request your financial support for this event. The communications honor student who sent you this letter is working diligently to raise funds to attend this crucial national conference. The funds will ensure that as many AZO students can participate as possible. Our expenses include flights, hotels, transportation, meals, and any conference fees remaining after volunteer scholarships are exhausted. If you can help us finance this vital experience for our members, we ask for a donation of \$100 to assist in getting us to our goal of \$10,000 by September 30, 2022. Your generosity will be most sincerely appreciated.

Please contact me, **Melissa Murray**, or **Wesley Cartwright**, with any questions regarding our participation in the National Communication Association Annual Conference in New Orleans. You can reach me at **347-662-7454** or via email at melissa.murray@enmu.edu or wesley.cartwright@enmu.edu. Please consider supporting AZO students in attending the most prestigious annual event in their career field.

With Kind Regards and Deepest Gratitude,

Melissa Murray and Wesley Cartwright
President & Vice President, AZO Chapter, Lambda Pi Eta at ENMU

Contributions can be made directly to the Alpha Omicron Zeta Chapter of Lambda Pi Eta at ENMU or to the "ENMU Foundation" and designated to the AZO Chapter of Lambda Pi Eta at ENMU.
