## Principal's Message

Kia ora Parents and Whānau

Over the next couple of months we will be installing **an all weather turf** next to the basketball court area on our school fields. Thanks in advance for any disruption this may cause. Once this is completed we will reconfigure the fields.

We also have installed a **new flagpole** at the front of the school. This is the **2019 Y8 learner legacy project**. **Ka pai team!**

Another development is a new concrete pathway into the school grounds off Northcote Rd - this will make the driveway area much safer for our learners.

Please be aware that the **new BP service station** on the corner of Northcote and Taharoto Roads is due to open this week. We are working with the staff and the service station to discuss how to keep our learners safe. If your child uses this area to leave the school grounds, it would be great if you discussed with them how to do this safely as there are two entrances to cross.

**Good luck to our teams and individuals who are attending AIMS tournament in Tauranga next week.**

## Learning Update

### TNIS Badges

Learners involved in extra-curricular activities here at TNIS, now have the opportunity to purchase fabric badges (\$4 each) to sew onto the sleeve of their school sweatshirt or jumper. (Left sleeve Year 7 and right sleeve Year 8.)

There are five badges, representing five areas of involvement; Academic, Leadership, Performing Arts, Service and Sport. Each fabric badge represents all the activities within an area of involvement. If your child is involved in more than one activity within one area, they will only be able to purchase and wear one badge for that area.

Physical badges are available for purchase on Kindo under "Activities".

Learners have a digital record of all the activities they are involved in, which will be shared on Seesaw and can be added to throughout their time at TNIS.

Once badges have been purchased, your child can collect their badge from the school library during Friday lunchtimes, 12:35pm - 1pm. The school holds a record of all the activities your child is involved in so that purchases can be cross-referenced.

If you have any questions, please contact Kate Watson [kwatson@tnis.school.nz](mailto:kwatson@tnis.school.nz)

## Sports

At TNIS we are currently creating a **fitness room**. This is to enhance our well-being and promote **keeping fit**. To help us make this happen we thought we would ask our local community if anyone had any old gym gear at home they were not using anymore. If you have anything that you would wish to donate please email Chantal what it is at [chair@tnis.school.nz](mailto:chair@tnis.school.nz).

We are interested in:

- |                 |               |                  |
|-----------------|---------------|------------------|
| - dumbbells     | - barbells    | - weight plates  |
| - kettle-bells  | - slam balls  | - medicine balls |
| - box           | - Swiss balls | - workout mats   |
| - workout bands |               |                  |

And anything else you may have :)

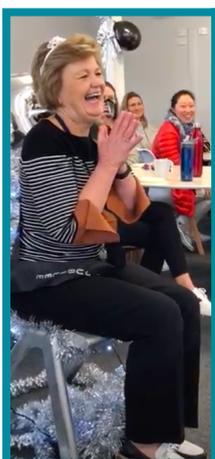

**Thanks so much!!**

**Congratulations to the Waterpolo team** who came 5th out of 19 teams in the B grade three day Tim Sonderer tournament. The team played very well. This is the second tournament in two weeks. The previous tournament was Winterfest and they came 4th in the B grade. These two tournaments have been fantastic preparation for AIMS and have increased the teams fitness and endurance.

**New House flags** have arrived. Our houses are Pupuke, Rangitoto, Takarunga and Onepoto. We are looking forward to using the flags at our school sports events later in the year.

### **TNIS celebrates 50 years of Education**

We are very excited to be celebrating our Jubilee next year in 2020 - 50 years since TNIS was founded!

At this stage we are **planning a day of celebration**, with an open day and evening event in **October 2020**.

If you are a past student or staff member, please visit our website and register your details as an alumni in order to stay up to date with plans <https://tnis.school.nz/about-us/alumni/>.

### Auckland Girls' Choir

The Auckland Girls' Choir ("Choir") would like to extend an invitation to girls from Takapuna Normal Intermediate school to audition for our 2020 intake.

The Auckland Girls' Choir has a proud tradition spanning more than 20 years, and was established to provide accessible, enriching choral experiences for girls aged 9 to 18 years of age from the greater Auckland region. To date, the choir has attracted girls from over 50 different schools, reflecting the rich ethnic and socio-economic diversity of the greater Auckland region.

As a training choir, The Auckland Girls' Choir is unique. Not only do we focus on healthy vocal production, choral technique, artistry, and performance skills, but all choristers also engage in a leveled musicianship program to enable every girl to be the strongest musician she can be. In the process, confidence, an enhanced sense of self-worth, self-discipline, teamwork, leadership skills, perseverance and the desire for excellence are proactively fostered.

Girls in the Choir also develop a strong sense of commitment to community service via performances in various civic and community events throughout Auckland each year. These civic performances not only provide the opportunity to perform, but also highlight the importance of giving back to the community, healthy respect for community leaders, and valuing the contributions and sacrifices that many have made to create Auckland into the city it is today.

Membership in The Auckland Girls' Choir is via an audition where vocal fluency, musicianship, and overall potential will be assessed. If accepted into the Choir, girls are expected to attend weekly choir rehearsals that span the regular school year. Attendance at a separate weekend workshop in each of the four school terms is also required, as well as full commitment to all performance engagements.

There is a limited number of need and merit based scholarships available for the 2020 intake, supported and sponsored by 'Friends of the Auckland Girls' Choir' to increase the accessibility and opportunities for talented girls to join the Choir.
