Pacific East District
Student Advocacy Matrix

The Pacific East District is committed to advocating for students in order to maximize their success. A strong network of support, which is enhanced by the systems implemented as part of the military environment, is available throughout the district. Levels of student advocacy are created through Pacific East developed structures. In addition, schools have the autonomy to enhance student advocacy.

District-Wide Systems in Place

Classroom Advocacy Level	• Classroom Teacher • Seminar Teacher • COVID-19 Response Team
Building Advocacy Level	• School Counselor • Building Administrator • Club Sponsors/Coaches • Educators of multi-year programs (Elementary Specials teacher, Information Specialist)
