

<Date>

Dear <name>,

I am writing to request funding to participate in the La Familia Loca Online Professional Learning Community. My participation will begin on <date>. I will continue to have access to the course materials, special guest recordings, and resources to help with implementation in my classroom for as long as I am enrolled as a member of the community.

La Maestra Loca PLC is a membership led by La Maestra Loca that develops and enhances World Language teachers' skills in Acquisition Driven Instruction to unlock unprecedented joy for the teacher and his or her students. It is an intimate group which allows for true growth and effective implementation.

With Acquisition Driven Instruction in mind, students will be able to develop their communicative competence while engaging in compelling strategies for delivering compelling, personalized, comprehensible input. In addition to the coaching and development in proficiency based teaching, La Maestra Loca develops ready to use resources every month in Spanish, French, and English!

Most importantly this year, this program will help me enhance my own skills when it comes to using Acquisition Driven Instruction in the classroom and the group coaching and collaborating that comes with the professional learning community is exactly what I need this year to support my students and maximize their learning time in my classroom.

The monthly recurring fee for the membership is \$39. If it is purchased as a one time annual fee, it is \$390 which gives us 2 months for free. Thank you for your consideration of my request for funding to be part of this World Language Teacher PLC. [Please visit this link for more information on the program!](#) I look forward to implementing all of the strategies with my students, using all of the amazing resources provided every month, and being part of a community of like-minded, positive and supportive world language educators around the world!

Sincerely,

<Name>, <Job Title>
