

Doughnut Pack

UPDATE

09/09/18

Added sugar cane to the sugar mill, sorry input material may be lost due to the changes, you may want to up the speed and be sure all input material is used before update.

10/02/17

Fixed hose connections at the doughnut production

10/03/17

Sped windmill up on flour mill

Fixed fill water display at egg production

This pack has a flour, sugar, milk, vegetable oil mill, egg, and doughnut production building needed to produce doughnuts. Either the kotte universal tanks or Nc Raiders AR pack are needed to work with the liquid triggers.

Doughnuts can be sold at the coffee house from the Master Pack/Trailer and Sell
