

Boston Massacre and Bias

Use the three articles that report eyewitness testimony from the Boston Massacre that occurred on March 5, 1770 found at <http://goo.gl/VG0Sw6> to answer the questions and fill in the chart below.

What are the similarities and differences you see in the different accounts? Use the Venn Diagram below to fill in your thoughts.

Which of the differences that you found do you feel were intentional and meant to persuade the reader? Which do you think were unintentional due merely to the witnesses' point of views? Use the chart below to fill in your thoughts.

Intentional Bias	Unintentional Bias

In your opinion, which document is most biased? Which is least biased? In the space below, explain and defend your opinions.

If you were a judge hearing this case, how might you decide “the truth” of what happened?
