1. Introduction

TSDSI TR for SI 78 after addition of text post SGSS March 2022 TP.

2. Description of the contribution

The TR is embedded –

(PQCin5G) TSDSI TR
XXXX V1.0.4.docx

3. References

<Provide the references used in description or any additional references>

[End of SWIC]

Instructions:

1. The Contribution shall provide details of the problem addressed and solution proposed. It shall include detailed analysis, simulation results and any other supporting data.
2. One form shall be related to only one SG/WG and the corresponding SI/WI.

Actions/Steps to upload SWIC:

Action 1: Filling the form for allocating the SWIC number.

- 1) Please visit TSDSI website (<https://tsdsi.in/>).
- 2) Follow the path (“Technical Activities> Standardization Artifacts> Please fill the relevant form to submit your contributions”)
- 3) Click on ‘ Submit Study Work Item Contribution ’ and a Form would appear that needs to be filled for uploading the contributions. While filling up the form select “New” or “Revision” as the case may be.
- 4) After submitting the form in step 3 above, you would get a system generated mail which would include the SWIC number/other details and URL of the folder where the SWIC template (indicated in Action 2) has to be uploaded.

Action 2: Submission of SWIC in template and Uploading of SWIC template in the TSDSI Repository.

- 1) Please visit TSDSI website (<https://tsdsi.in/>).
- 2) Download the SWIC template by following the path (“Technical Activities>Standardization Artifacts>View/Download-Blank Templates for Submitting Contribution
- 3) Kindly fill this template offline. Use the SWIC number received in step 4 of Action 1
- 4) Click on the link given in the system generated mail (indicated in the step 4 of Action 1). This links will take you directly to the TSDSI Document Repository (<https://members.tsdsi.in>).
- 5) Login with your account credentials
- 6) Relevant study/work group’s folder will open where the SWIC template needs to be uploaded. (Please contact contributions@tsdsi.in in case you do not have login credentials.)
- 7) Click the plus sign on the top right of the folder and select ‘upload file’ to upload the SWIC template in this folder.
