BISD is now accepting applications for Fall 2023 Paid Clinical Teaching! Interested candidates should follow the steps below & apply!

STEPS TO BECOMING A BRAZOSPORT ISD CLINICAL TEACHER

Brazosport ISD welcomes future educators and we are excited that you are interested in selecting our district for your student teaching experience!

BISD is happy to announce the launch of our new Paid Clinical Teaching/Internship Program! Beginning spring semester 2021, BISD will offer PAID clinical/student teaching positions to selected candidates. This program will also contain additional benefits to aid your clinical teaching experience and the start of your teaching career.

BISD will continue to accept, welcome, and support traditional, unpaid clinical teaching internships as well.

Please follow the steps below to ensure a smooth and efficient process:

Step 1: Your program director/supervisor must make direct contact with Andrea Dickson at andrea.dickson@brazosportisd.net to request your placement in our district. Be sure they include certification areas, dates and times of placements.

Step 2: Please submit your contact and university information HERE! University information is needed to ensure that the correct university partnerships are established.

You will receive communication from Brazosport ISD regarding your interest in completing your clinical teaching/internship with the district.

Following initial contact, clinical teaching candidates that are interested in the “paid” clinical teaching positions will be given instructions on how to apply. A selection process will take place in order to determine candidate selection.

All Criminal History applications (Fingerprinting) must be completed and approved prior to the start of any student teaching assignment.

Step 3: Human Resources will work directly with Field Experience Supervisors in placing student teachers for the fall and spring semesters. Placement information will be emailed to the student teacher and the institution after all the information is verified and placements are secured.

Step 4: Once accepted, placement information will be emailed to the clinical teacher and institution/program.

Student Teacher Placement Request Deadlines:
Please contact our human resources office prior to your clinical teaching.

To learn more about completing your clinical teaching at Brazosport ISD, click HERE to visit our site.

Once your university has approved your request to apply with Brazosport ISD for clinical placement, please click HERE to apply! (Job ID 1443).
