Closer To Fine - Indigo Girls [NON BAND]

📺 Closer to Fine (from Barbie) (SATB C...

Verse 1 (solo)

I'm tryin' to tell you somethin' 'bout my life
Maybe give me insight between black and white
And the best thing you've ever done for me
Is to help me take my life less seriously
'Cause it's only life after all
'Cause it's only life after all

Verse 2

Well, darkness has a hunger that's insatiable
And lightness has a call that's hard to hear
And I wrap my fear around me like a blanket
I sailed my ship of safety till I sank it
I'm crawling on your shores

Chorus

I went to the doctor, I went to the mountains
I looked to the children, I drank from the fountains
There's more than one answer to these questions
Pointing me in a crooked line
And the less I seek my source for some definitive
The closer I am to fine
Closer I am to fine

Verse 3

I went to see the Doctor of Philosophy
With a poster of Rasputin and a beard down to his knee
He never did marry or see a B-grade movie
He graded my performance, he said he could see through me
I spent four years prostrate to the higher mind
Got my paper and I was free

Chorus

Verse 4 (solo)

I stopped by a bar at 3 A.M.
To seek solace in a bottle, or possibly a friend
I woke up with a headache like my head against a board
Twice as cloudy as I'd been the night before
And I went in seeking clarity

Chorus

Outro

Closer I am to fine x4

Talk about it somewhere only we know.

This could be the end of everything.

Somewhere only we know.

ATB: I'm getting old and I need something to rely on.

AT: So tell me when you're gonna let me in.
I'm getting tired and I need somewhere to begin.

Chorus

Talk about it somewhere only we know.

This could be the end of everything.

So (why don't we go).

T: Somewhere only we know.
