

**Platinum Level:**

## **STEAMwSenior Partnerships**

Please use this to analyze proposed partnerships with STEAMwSeniors ( Business, Retirement, Community, Industry, k-12, Post-Secondary Partnerships).

**START WITH WHY: WHAT ARE THE NEEDS / OPPORTUNITIES IN MY COMMUNITY?**

*What knowledge are you looking to increase with this partnership?*

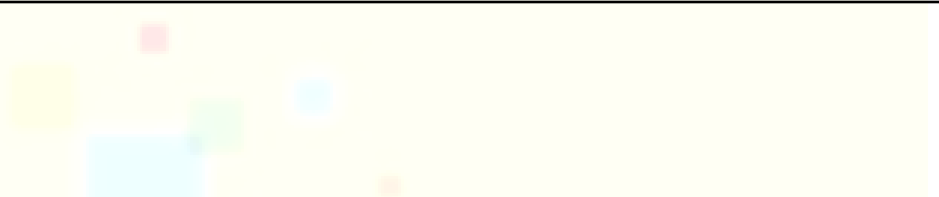

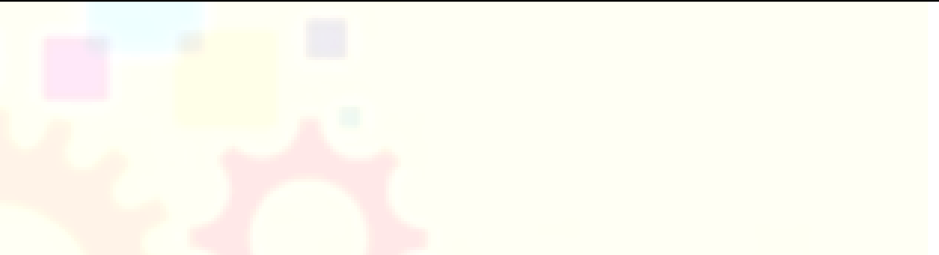

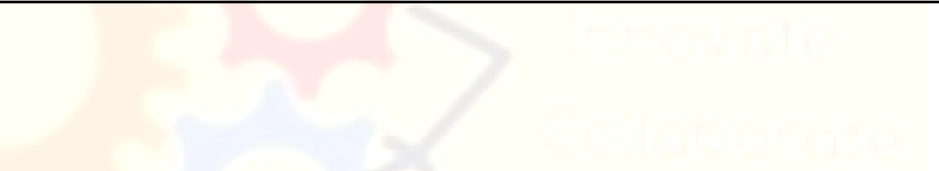

*What gap are you trying to fill with this partnership?*

*What is the idea for the program / project that this partnership supports?*

*What standards are you addressing with this partnership?*

**PARTNERSHIP LEVEL**

[STEM / STEAM Partnership Guide \(link\)](#)

<p><b>NAME YOUR PARTNER ORGANIZATION</b></p> <p>Name Partner Organization Liaison Contact Info</p> <p>Name Education Community Contact Info</p>	
<p><b>STEAMwSeniors IMPACT</b></p> <p>What is the expected frequency of your work together? How could these assets support your needs?</p> <p>What is the mode you will use for these interactions?</p>	
<p><b>COMMUNITY / INDUSTRY IMPACT</b></p> <p>What could your education community do to support this industry? How could you create a mutually beneficial partnership?</p>	
<p><b>Will this partnership require consulting services to STEAMwSeniors. If so, what will this look like?</b></p> <p>Program development? Curriculum development? Workshops and training? If consulting is required, fee structure should be negotiated so both parties know the expectations.</p>
