🌟 We are thrilled to announce an incredible achievement by our students! 🌟

Students from **GSFC University** recently represented our institution at the prestigious **Meshmerize and Cozmo Clench bot competitions** held at **IIT Gandhinagar**! 🇮🇳

This milestone is a **direct fulfillment of the promise** we made during our **intensive Robotics Workshop** conducted on **September 15th**, in collaboration with **Techfest, IIT Bombay**.

We had committed to **creating pathways for our students** — and today, we are proud to see them **shining on national platforms**. 🌟

But the good news doesn't stop there...

🌟 We are ecstatic to officially share that **GSFC University** now has **7 wildcard entries** for the upcoming **Techfest competition** at **IIT Bombay**! This opportunity comes as part of the **MOU signed with Techfest, IIT Bombay**, and will see **9 of our top teams** competing internally for these coveted spots.

This is a **monumental moment** for **GSFCU** — a testament to the **innovation, creativity and talent** of our students. 🙌
