Notes

Donations that are reported through the District's donation reporting form are tracked and included in this file each month and may not be comprehensive to all donations received. Reporting exceptions are individual one-time donations under \$50, generally provided by a parent/guardian/community member for a specific teacher, classroom or activity (e.g. snacks, general supplies).

Donations generally include in-kind donations or monetary donations for specific purposes/intent and are noted accordingly. Note that funds raised and managed by separate non-profits, PTOs and Booster Clubs are not included in this donation list unless a specific donation for the district was made on their behalf.

Funds related to agreements such as the Academies of Shakopee Champion agreements are also separate and not included in this file nor are Scholarships provided by organizations or higher education institutions; such items are tracked by the secondary school counselor team.
