

24-25 Audubon Traditional Transportation

AM Arrival Expectations

Walkers and CEP-Only designated walkers and CEP enter through the front main doors in the mornings. Walkers are students that live within one mile of the school. The doors open at 8:10a.m. to accept our walkers.

Car Rider- Car riders must go through the car rider line. The car rider line opens at 8:10a.m. and closes at 8:38a.m. Please enter the car rider line on Pindell. You will drop off your child at the car rider entrance. There will be Audubon staff members there to welcome your child and to direct them when to get out of the car. The staff member will give the students a “thumbs up” to exit the car. Only allow students out of the car when directed by an adult. Wait for the staff member to direct the cars to move and be prepared to make a **RIGHT TURN ON HESS LANE.** All students should exit from the passenger’s side of the car to avoid moving traffic! Parents please do not get out of the car for any reason.

Please make sure that you have said your goodbyes and your child is ready to exit the car at this time to keep the morning drop off moving smoothly, as many of our parents are on their way to work.

After 8:38 a.m. parents must park in the large parking lot, walk the student to the front door and sign their student in. Students will receive a tardy slip to enter class. Students can not walk to the front door unaccompanied by an adult.

Reminders:

- **TURN RIGHT ON HESS LANE**
- Parents please do not get out of the car for any reason.
- When you enter the car rider lane, please limit your speed to 5 mph to ensure the safety of students, parents and staff.

Thank you for helping to make AM transportation run smoothly! Our goal is for all of our students to be safe.
