News We're Making

the Turn!

Hopefully February Break gave everyone a little time to relax and recoup as we round the turn into spring. Punxsutawney Phil has promised us an early spring and this weekend's forecast seems to confirm that better days are ahead! The days are getting longer and sunlight seems to be creeping back into our lives a little at a time. Soon we'll be outside for spring sports and our teams will be able to enjoy their first spring season on turf! With all that said, it's also the time of year where teaching seems to get harder. There's the third quarter slump and it seems hard to keep everyone tuned in and working. Stay tough and keep the end in sight!! We are hoping to offer some fun events this upcoming spring to make the time go a bit faster, and we are bringing back the

LCTA picnic on June 18th (Juneteenth Eve) to celebrate our 50th year and this year's retirees. We are in the early planning stages but please save the date and plan to attend! It's time to come back together as a united group to keep working toward the things we all believe in and strive for. Let's end the year strong and come together as a group to celebrate ourselves, our colleagues, and the things we have achieved.

The LCTA is once again collecting Easter basket supplies for the Youth Bureau. There will be collection boxes in each school until March 15th. The Youth Bureau is in need of baskets, individually wrapped candy, small toys, crayons, bubbles, chalk, coloring books, etc. (NEW items only please). We are NOT collecting food items at this time, only stuff for Easter baskets. If you have a club or team that would like to join, feel free! Thank you in advance for any help you can provide. If you would prefer to make a cash donation, you can Venmo Kelly-Eckler-1. Thank you for supporting our community and

our students!

Members Get Educated About Retirement

On January 31st members gathered at Leo's for an informational retirement seminar hosted by the LCTA. NYSTRS representatives and LCTA Retirees gave members information and tips on planning for retirement. The event was well attended and members gained valuable insights as they begin to prepare for life's next

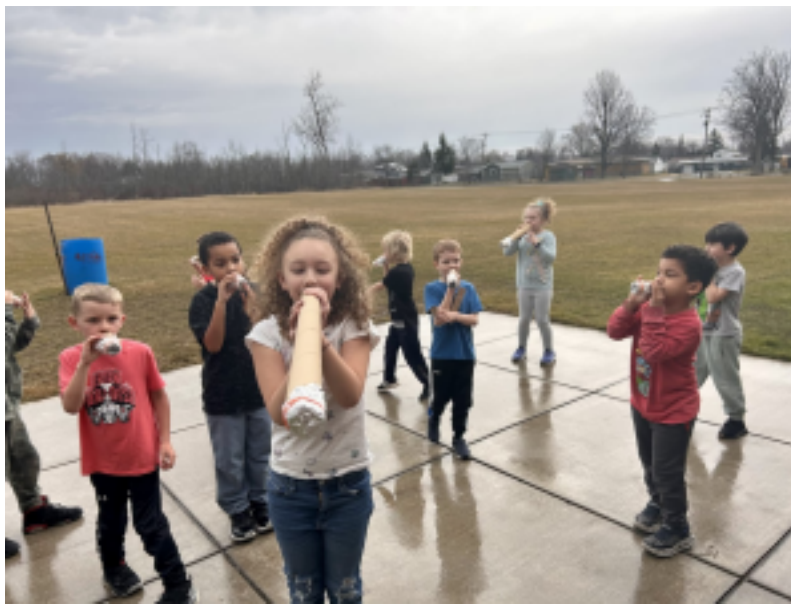

adventures!

Thank you to our NYSTRS reps Wendy Chapman and Alison Camp for setting up this event!

Can you kazoo? JAS First graders try out different homemade kazoo techniques as they explore sound energy.

Red Devil Recognition for One of Our Own!

Jaclyn Rosenberg (WSS) was recently recognized by the Clarence School District for her volunteerism within the schools and community. Nominator Wendy Muni said Rosenberg's work on curriculum committees in the district "blended expertise as an experienced professional educator and a long-time parent." "Jackie is such a valuable member of the Clarence community, in so many ways, and she deserves to be recognized for her tireless efforts," Muni said. Congratulations Jackie!
