

Report for the Special Education Program

June 2025

Current/On-going Action Items:

- Planning for Staff Development Activities for summer and fall
- Continuous planning for students with disabilities - iReady, scheduling, etc.
- Finalizing budget reports for end of year
- Piloting the new IEP platform for ADE thorough Powerschool
 - Zoom meetings and hands-on activities

I am proud of the special education teams we have in place and we did not have to replace any special education teachers at the end of this year!
