3 CHANGES TO THE SAILING INSTRUCTIONS

Verbal changes to these Sailing Instructions may be made at any time. All competitors shall be notified.

4 SCHEDULE OF RACES

4.1 Date of racing: **Saturday, August 5th, 2023.** *Rain date is the 6th. Sailors will be notified by 7 PM on the 4th, if we have to switch to the rain date via the NMMYC Website and/or email.*

4.2 The total number of races planned is 9 or as many as possible within the time constraints not to exceed 9. The race director will determine the number of races after considering weather, course, and equipment conditions. **No race shall start after 1:00 pm.**

4.3 The scheduled time of the first race will be soon after the skippers meeting.

5 RACING FORMAT

One fleet racing will be held unless decided otherwise by the race director.

6 THE COURSE BOARD

The course board is to be located as required by rule E3.2 and show the Course, Control Area and Launching Area unless otherwise noted by the race director.

7 THE COURSE

The course, the order in which marks are to be passed and the side on which each mark is to be left, will be as shown on the course board. 1 Drag race, 3 Short, 3 Medium and 3 Long course races will be raced or as the RD decides.

8 CONTROL AREA

The control area is unrestricted.

9 LAUNCHING AREA

The launching area is unrestricted.

10 MARKS

10.1 Marks will be announced by the race director during the skipper's meeting.

10.2 The starting and finishing marks will be briefed by the race director during the skipper's meeting.

11 AREAS THAT ARE OBSTRUCTIONS

The following areas are designated as obstructions: The shore and/or possible unseen obstructions.

12 THE START

AMYA one or two-minute starting sequence will be used unless a 1 minute is decided by the RD.

12.1 The starting line will be between the starting marks.

12.2 Prior to the start signal, a boat may request the Race Director to delay the starting sequence for five minutes for the repair of a technical problem or breakdown. When such a delay is granted, it will be announced and the warning signal or verbal command will not be sounded until the expiration of five minutes from the commencement of the delay. Each boat may be granted only one (1) such delay. Delays for tuning, adjusting sails or for changing rigs due to weather will not be granted. At the RD's discretion a five-minute hold may be called, at any time prior to the starting signal.

12.3 If any part of a boat's hull or equipment is on the course side of the starting line after the preparatory signal, the Race Director (or designee) will attempt to hail that boat. Failure of the skipper to hear such a hail will not be grounds for a request for a redress hearing; this changes rule 62.1(a).

13 THE FINISH

The finishing line will be between the finishing marks.

14 PENALTY SYSTEM

14.1 A boat with any part of its hull or equipment on the course side of the starting line during the minute before the starting signal shall return to the pre-start side as required by rule 29.1 and modified by rule E3.5. The race director may appoint a race official(s) to officiate the races. They will have the duty to call all penalties, as they see them.

14.2 A boat touching a mark as defined by rule 31.1, shall take a penalty turn as required by rule 44.2.

14.3 A boat breaking a rule in Part 2 shall take a one-turn penalty as required by rule 44.1 and modified by E4.3 (a full 360).

15 TIME LIMITS

15.1 If no boat has passed Mark 1 within **ten (10) minutes**, the race will be abandoned.

15.2 If no boat has finished within **thirty (30) minutes**, the race will be abandoned.

16.2 A boat intending to protest or request redress about an incident in the racing area or control area shall inform the race officer as soon as reasonably possible after finishing or retiring. A protest, request for redress or request for reopening shall be delivered to the race officer no later than ten minutes after the last boat in the heat finishes or after the relevant incident, whichever is later, as required by rules 61.3 as modified by E6.4 and E6.5.
