STATEMENT OF ETHICS

This study was conducted in accordance with the World Medical Association Declaration of Helsinki. The study protocol was reviewed and approved by the COMETEE NAME, INSTITUTION, COUNTRY (APPROVAL NUMBER; date: DD.MM.YYYY). All participants provided written informed consent to participate in this study.

DECLARATION OF CONFLICTING INTERESTS

The journal requires all authors to disclose any potential conflicts of interest. This disclosure must be presented under a 'Declaration of Conflicting Interests' heading, positioned on the title page of the article, before the references list. Potential conflicts might include financial interests such as investments, consultancy, employment, or patent-ownership related to the subject of the manuscript, as well as personal relationships or academic competition that could influence the work. If no potential conflicts exist, authors should explicitly state:

The authors declared no potential conflicts of interest with respect to the research, authorship, and/or publication of this article.

FUNDING

The journal mandates that all authors explicitly disclose their funding sources. This disclosure should be consistently presented under a dedicated 'Funding' heading on the title page of each article. In cases where the study did not receive any external resources, authors should state:

"The authors received no financial support for the research, authorship, and/or publication of this article."

ACKNOWLEDGMENT (optional)

All contributors who do not meet the criteria for authorship should be listed in an *Acknowledgements* heading on the title page of the article. If there are no acknowledgements delete this statement.
