## Synopsis:

Are you looking to sell a house that has a ghost, spirit, specter, demonic presence, or any other-otherworldly presence — and just can’t find a buyer? Come on down to the Haunted House Realtor and we will give you a great deal in order to list your home onto the market! It doesn’t matter how many murders have happened inside or out, we take on all listings!

Take that unsellable house and we will give you a deal you’re happy with.

If it’s haunted it’s wanted!
