

826 A.S

The Sydney Accords

Introduction

Herein it is agreed upon by the Members of the congregations from the Sirius Coalition Military, Bretonian Armed Forces and the Secret Intelligence Service in accordance with Bretonian and Coalition Law. These Accords are henceforth signed into Law for all parties involved and are to be enforced by the signatories and their respective agencies.

Article the First: Rights of the Sirius Coalition

1. The SCRA will invade and occupy Territory currently held by Corsair and Cretian Citizens. The Territory taken shall be considered Sovereign Territory of the SCRA.
2. The Organisation known as ApS is to be allowed entry to the SCRA lands for evacuation, farming, trade or recruitment purposes.
3. The SCRA maintain the right to end this agreement with the ApS at anytime.

4. An Atmospheric entry point is to be established for Fighters, Freighters and Bombers to land on the SCRA held territory.
5. Fighters, Freighters and Bombers may Land on planet Sydney with no restrictions.
6. Capital vessels may fly throughout the system, but **may not** dock on the planet.
7. The SCRA may move about the system of New Holland freely
8. The SCRA maintain the right to Police the system in association with the Bretonian Armed Forces, Secret Intelligence Service and Bretonian Police Authority in accordance with Joint Law.
9. Trade with Mollies on the SCRA surface will not be interrupted by Bretonia unless the Mollys are guilty of an attack on Civilians or Bretonian citizens within the system or are in violation of Joint Law.
10. Bretonian pilots shall not harm any Coalition citizens or traders unless a breach of Law has been observed or reported.

Article the Second:
Rights of the Empire of Bretonia

1. The system of Omega-49 is henceforth renamed to New Holland
2. The planet of Gran Canaria is henceforth renamed to Planet Sydney
3. The System and Planet are to be considered by all parties as legally and culturally Bretonian and part of the Bretonian Empire.
4. It is to be understood that while New Holland is part of the Empire, the SCRA maintain certain unalienable rights as defined in the first Article.
5. It is to be understood by the SCRA that the remainder of Bretonia is excluded from this treaty. Except in the cases of the Dublin system and the occupied territories
6. Coalition pilots shall not harm any Bretonian citizen or traders unless a breach of Law has been observed or reported.

Article the Third:
Rights of the Zoners

1. The Zoners shall agree to unconditionally remove all Corsair and Cretian citizens who are not members of the ApS from the planet.
2. The Zoners shall retain 20% of the planets surface to be in the form of free cities, enclaves and/or provinces which are to be to be self governed by the Zoner community.

3. Zoners are subject to all laws that are to be enforced by the SCRA and Bretonian Agencies
4. The Zoners shall retain all stations in orbit of Gran Canaria with the exception of Gran Vista Orbital on the condition that they revoke their corsair populations unless those populations are members of the ApS.

Article the Fourth:
Joint Law

Joint Law is to defined in brief as a Law which occurs in both the Bretonian Charter of Interstellar Law and the Laws of the SCRA. Below are points considered to be part of ‘Joint Law’

The following are outlawed in the system of New Holland:

- Cardamine of any variety.
- Slaves
- Coalition or Bretonian Pilots.
- Artifacts.
- Nox
- Hypnotainment Bands
- Nomad equipment and remains
- Ageira White Boxes (no exceptions)

The following actions are henceforth considered illegal:

- Assault on a Lawful Entity Defined in this circumstance as an officer of the BAF, BPA, SIS or the Coalition Military.
- Assisting Hostile Forces
- Espionage
- Piracy
- Inciting Violence
- Use of Hostile or Unfriendly Transponders or Papers
- Disrupting the Smooth Flow of Trade
- Miscellaneous Offences The Bretonian and Coalition Law enforcement agencies retain the right to alter the laws to suit developing situations. Similarly, law enforcement

agencies may levy fines for actions considered detrimental to the system of New Holland, which are not otherwise specifically mentioned in this article

- **Foreign Warships** Foreign warships are banned from the system of New Holland without prior permission of the Bretonian Government and the SCRA Military..

Article the Fifth:
Additional Points

1. Trade between the Empire of Bretonia, the SCRA, the Mollys, the Zoners and the Red Hessian Army may be conducted within the System of New Holland uninterrupted unless a breach of Law is to be observed or reported.
2. Allowance is to be made for a bi-annual meeting to review the treaty.
3. Emergency meetings may be summoned by the signatories at anytime
4. Allowance is to be made for representatives of third parties (For example the RHA) to attend a bi-annual or emergency meetings should the need arise
