Philadelphia Area Students Win Prizes in C-SPAN's National Video Documentary Competition

*Students nationwide tackle topics that are important to them,
including artificial intelligence, abortion, and climate*

WASHINGTON (March 13, 2024) — Today C-SPAN announced that students in Philadelphia, Berwyn and Warrington Township, Pennsylvania are 2024 winners in C-SPAN's 20th annual StudentCam competition.

Anna Berman, a student at Science Leadership Academy in Philadelphia, will receive \$750 as a third prize winner for the documentary, "Fast Fashion - A Race to the Bottom."

El Palmer, Violet Brenner and Clarissa Lanzas, students at Science Leadership Academy, will receive \$250 as honorable mention prize winners for the documentary, "Funding our Future," about the unequal funding of urban versus suburban public schools in Pennsylvania.

Charlize Ko and Kaitlyn Hess, students at Conestoga High School in Berwyn, will receive \$250 as honorable mention prize winners for the documentary, "Change in America - The Public Education System."

Maximilian Jin, Luka Jonjic and Dylan Schwartz, students at Central Bucks High School South in Warrington Township, will receive \$250 as honorable mention prize winners for the documentary, "The Future: Can We Afford It?," about the high cost of living in the United States.

C-SPAN, in cooperation with its cable television partners, asked middle and high school students to address the theme, "***Looking Forward while Considering the Past***," through one of the following prompts:

a) In the next 20 years, what is the most important change that you would like to see in America?

-OR-

b) Over the past 20 years, what has been the most important change in America?

Now in its 20th year, this project-based learning experience gives students the opportunity to explore multiple perspectives on topics that are important to them. In response, over 3,200 students

participated, and C-SPAN received over 1,600 entries from 42 states and Washington, D.C. The most popular topics addressed were:

- Artificial Intelligence, Technology, and Social Media (18%)
- Abortion, Health Care, and Mental Health (17%)
- Climate, Energy & Land Use, and Pollution (13%)
- School Safety, Gun Policy, and Criminal Justice (11%)
- Economy, School Funding, and Homelessness (8%)

"In recognition of the 20th anniversary of C-SPAN's StudentCam competition, this year we asked students to either look 20 years into the future or to reflect on a topic of importance to them and its past," said Craig McAndrew, director of C-SPAN Education Relations. "Students have skillfully blended their perspectives with in-depth research and an array of expert interviews, and we are thrilled to share their accomplishments with their local communities, and the nation."

C-SPAN is funded by America's cable television companies, who also support StudentCam. In Philadelphia, Berwyn and Warrington Township, C-SPAN is available locally through Comcast.

"Comcast is excited to honor our local winners in the 2024 StudentCam competition," said Stephanie L. Kosta, Vice President of Government & Regulatory Affairs & Community Investment, Comcast Freedom Region. "We are proud to partner with C-SPAN to help provide a platform for students across the country to share their voice on the issues important to them as they work to be informed and active citizens. Congratulations!"

In honor of the 20th year of the competition, C-SPAN is gifting educators an additional \$50,000, for a total of \$150,000 in student and teacher cash prizes and awards. More than 300 students and 200 teachers from across the country are winning participants. C-SPAN is awarding one grand prize, 4 first prizes, 16 second prizes, 32 third prizes and 97 honorable mention prizes. The winning videos will receive cash awards of \$5,000, \$3,000, \$1,500, \$750 and \$250, respectively.

Over the course of two decades, C-SPAN has awarded more than \$1.5 million in prizes. Since 2004, over 63,000 students and 20,000 teachers have participated in the competition. StudentCam has been a catalyst for inspiring young minds to think critically about issues that are important to them and has empowered them with the tools they need to become informed, civically engaged citizens.

High School students competed regionally in one of three regions: West, Central and East. Middle school students were judged on a national basis. The grand prize winner was selected nationally among all regions and grade levels.

The 150 winning videos can be viewed at studentcam.org and may be used in a broadcast with attribution to C-SPAN. To schedule an interview with one or more of the winning students, please contact Pam McGorry at pmcgorry@c-span.org.

The annual StudentCam competition is sponsored by the C-SPAN Education Foundation. Videos were evaluated by a panel of educators and C-SPAN representatives based on the thoughtful examination of the competition's theme, quality of expression, inclusion of varying sides of the documentary's topic, and effective incorporation of C-SPAN programming.
