Youth Ministry Speaker_ Rev. Daniel Matsuoka

Fun fact, Dan is Dlow's roommate and used to be Sanyo's counselor when he was in the youth group. He is a pastor at CCIC South Valley with a masters degree from Talbot School of Theology. When not busy doing ministry, Dan can be found on the golf course, shooting hoops, playing board games, and taking naps. Dan is super

old now but don't let that fool you on the court, because he can still make a basket in your face (though he probably won't make back on defense afterwards).
