**LETTRE À L'ADMINISTRATION DE LA CAQ CONDAMNANT L'INTRODUCTION DU
PROJET DE LOI 21 QUI BANNIT LES SYMBOLS RELIGIEUX**

Chère Coalition Avenir Québec,

Cette lettre condamne dans les plus forts termes le lancement du projet de loi 21 intitulé «Loi sur la laïcité de l'État» qui discrimine disproportionnellement les citoyens québécois de confession musulmane, sikh, et juive. La clause qui suscite le plus de critique est celle qui force les employés de l'État et les employés en position d'autorité de retirer leurs symboles religieux ce qui affecterait les enseignants et professeurs de primaire et du secondaire, les juges, les policiers, et les procureurs de l'État. Le projet de loi 21 revendique sa légitimité dans les liens profonds entre le Québec et la laïcité -- en fait, selon le projet de loi «[la laïcité est basée sur quatre principes fondamentaux: la séparation entre État et religion, la neutralité de l'État, la liberté de conscience et la liberté de religion.](#)» Par contre, le projet de loi est lui-même contraire à ses principes puisqu'il est impossible d'avancer une politique d'égalité pour tous citoyens et liberté de religion tout en empiétant sur les droits de minorités religieuses de pratiquer leur religions.

Dans le contexte locale et globale des récentes tragédies comme [le massacre à la mosquée de la ville de Québec](#) qui a coûté la vie à six musulmans priant dans un lieu sacré, [le massacre dans une synagogue à Pittsburgh](#) qui a coûté la vie à onze juifs priant en paix, [le massacre du temple Sikh au Wisconsin](#) qui a coûté la vie à six sikhs et [l'attaque terroriste en Nouvelle-Zélande](#) qui a coûté la vie à 50 musulmans pendant la prière du vendredi, c'est un acte répugnant d'introduire un projet de loi autant discriminatoire. Ces victimes ont été tués par des racistes inspirés par les rhétoriques discriminatoires, haineuses, et divisives que les gouvernements tels que l'administration de Donald Trump et la CAQ promeuvent. [En fait, la CAQ suit les pas de Trump et ses propos provenant de la suprématie blanche en établissant ce qui peut être considéré comme étant une version interne du 'Muslim Ban'](#), qui déshumanise les citoyens musulmans. Une telle brutalité et violence ne commence pas avec les individus, mais avec les administrations légitimes qui mettent en place des idéologies politiques haineuses comme ce projet de loi. Il serait irresponsable de considérer le projet de loi 21 introduit par la CAQ comme une anomalie plutôt qu'une tentative systématique de marginaliser et de menacer les minorités visibles qui sont déjà en danger.

L'introduction du projet de loi 21 par la CAQ est une tentative irresponsable et préméditée de marginaliser davantage les communautés qui sont déjà à risque en raison de leurs croyances religieuses, de leurs origines raciales et de leur identité ethnique. Bien que leur décision d'introduire, implémenter et promouvoir ce projet de loi s'aligne avec l'histoire de la marginalisation des communautés racialisées au Québec, elle ne s'aligne pas avec les valeurs qui font la fierté des citoyen.e.s québécois.e.s. C'est pour ces raisons que nous, en tant que québécois.e.s impliqué.e.s dans le système d'éducation au Québec, condamnons fermement le projet de loi 21 de la CAQ. Nos éducateurs doivent être jugés, évalués et employés sur la base de leurs qualifications, leur passion et leur leadership plutôt que par leur identité religieuse. En tant que québécois.e.s, nous défendons fermement et fièrement la diversité et l'égalité. Nous ne sommes pas les premiers à se prononcer contre ce projet de loi et nous demandons aux québécois.e.s de se joindre au mouvement du carré blanc dédié à la lutte contre la discrimination institutionnelle. Nous demandons également à la CAQ de non seulement avoter ce projet de loi extrêmement discriminatoire, mais également de présenter ses excuses aux communautés qui seraient touchées de manière disproportionnée, à savoir les citoyen.e.s musulman.e.s, juif.ve.s et sikhs du Québec.

Sincèrement,

LETTER TO QUEBEC'S CAQ GOVERNMENT CONDEMNING INTRODUCTION OF BILL
21 BANNING RELIGIOUS SYMBOLS

Dear *Coalition Avenir Québec*,

This letter condemns the recent introduction of proposed Bill 21 titled "An Act respecting the laicity of the State" which would disproportionately affect Muslim, Sikh, and Jewish citizens of Quebec. The most problematic clause of Bill 21 is the one banning public workers from wearing religious symbols in positions of authority -- including but not limited to: elementary and high school teachers, prosecutors, police officers, prison guards, and judges. Bill 21 claims its legitimacy from Quebec's deep ties with secularism and according to the bill "laicity [...] is based on four principles: the separation of state and religions, the religious neutrality of the state, the equality of all citizens and freedom of conscience and freedom of religion." However, the Bill itself goes against these principles as it is inherently incompatible to advocate for equality of all

citizens and freedom of religion while simultaneously infringing on the rights of religious minorities to practice their faith.

In light of recent tragedies -- homegrown and abroad -- such as the [Quebec City mosque shooting massacre](#) that took the lives of 6 muslims praying in their place of worship, the [Pittsburgh synagogue shooting](#) that took the lives of 11 Jews praying peacefully, the [Wisconsin Sikh temple shooting](#) that took the lives of 6 Sikhs, and the [New Zealand shooting massacre](#) that took the lives of 50 Muslims during a Friday prayer, it is abhorrent for the CAQ to introduce such a Bill. These lives were taken away by racist men that used hateful, discriminatory, and divisive rhetoric that governments such as the Donald Trump administration and the CAQ consistently spew. [The CAQ falls in step with much of Trump's white supremacist agenda by establishing what could be considered as an internal Muslim Ban](#) effectively alienating and demonizing Muslim citizens. Such brutality and violence do not start with individuals, they start with legitimate administrations that implement hate at the policy level -- as is the case with this Bill. In short, it would be irresponsible to treat CAQ's Bill 21 as an anomaly, rather than part of a systematic attempt to marginalize and threaten visible minorities who are already at risk.

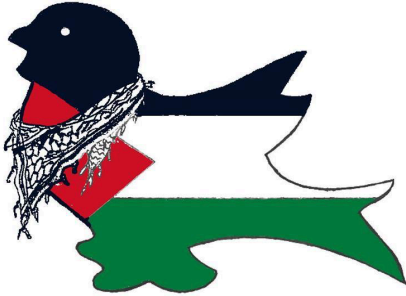

CAQ's introduction of Bill 21 is an irresponsible and deliberate attempt to further marginalize communities that already carry a target on their back by virtue of their religious beliefs, racial background, and/or ethnic identity. While their decision to draft, introduce and promote this bill may fall in line with Quebec's history of marginalizing racialized communities, they do not overlap with the values that Quebec citizens claim pride in. It is for these reasons that we, as Quebecers who have a stake in the education system, strongly condemn CAQ's Bill 21. We believe that our educators need to be judged, assessed and employed based on their qualifications, passion, and leadership rather than on their religious identity. As Quebecers, we stand by firmly and proudly for diversity and equality. [We are not the first to speak up against this](#), and we urge [Quebecers to join the white square movement dedicated to speaking out against institutional discrimination](#). We also urge CAQ to, not only drop this grossly discriminatory Bill, but to apologize to the communities that would be disproportionately affected -- the Muslim, Jewish, and Sikh citizens of Quebec.

Sincerely,
