## Meet your Orlando orthodontist

Dr. Lach has practiced as an orthodontist in the Orlando area for over 30 years. In that time, he has helped to transform more than 20,000 beautiful new smiles.

Dr. Lach is a strong supporter of our community and our schools and has sponsored hundreds of events for school children, athletic teams, parent/teacher organizations, and local charity events.

Dr. Lach has also reached out to many underprivileged families in our area by starting his own charity known as the Smiles for Hope Foundation. This foundation provides patients who otherwise would not have the opportunity with a beautiful new smile.

## Education

Dr. Lach graduated at the top of his class from the prestigious University of North Carolina at Chapel Hill School of Dentistry, recognized nationally and internationally for its excellence in dental education.

He also was awarded a Master's Degree (MS) in Oral Biology from the University of Louisville School of Dentistry for his original research on how computers can simulate and predict changes following orthodontic treatment.

## Credentials

Dr. Lach spends 50-100 hours in advanced continuing education each year, and has been a significant part of many innovative advances in the field of orthodontics. He was the first doctor in the area to bring high-tech 3D scanning, printing, and robotics to his Central Florida practice. Dr. Lach was also one of the first specialists in the area to work with Invisalign® treatment, and since has become one of the area's only Elite Preferred Invisalign® Provider, which makes him in the top 1% of doctors in the world with the highest level of expertise with Invisalign® treatment.

Our talented specialist has also had the experience of teaching orthodontics to dental students at the University of Florida College of Dentistry as an assistant professor of orthodontics.

## Personal

Dr. Lach grew up in a small Midwest town near Akron, Ohio, and his younger brother, older sister, mother, father, and many aunts, uncles, and cousins all live in the area. He and his wife, Hope, have three children named Grant, Bryce, and Emmie, a golden retriever named Sanford, a Jack Russell terrier named Fee Fee, and 2 cats named Lolly and Pop.

Dr. Lach is a very active outdoorsman and a former Division 1 and semi-professional soccer player. He also enjoys waterskiing, boating, golfing, and spending a relaxing time at the beach with his family.
