November Mission of the Month:
CSSH Code Blue

(Continued….)

There are a number of ways for our congregation to support Code Blue. Code Blue depends on having 14 volunteers every night they are open to fill seven jobs/shifts, and this is a great opportunity to give back to our community. Volunteers perform a number of jobs including van driver & attendant for pick up, opening the host church from 7:00-10:00 pm, 1st overnight shift (10:00 pm - 2:30 am), 2nd overnight shift (2:30 - 6:30 am), morning cleanup, and morning van driver & attendant. Sometimes Code Blue is closed on cold nights due to a lack of volunteers. Please consider volunteering and serving the homeless in our community. Upcoming **in-person training takes place on *Wednesday, November 4***, ***Saturday, November 7***, and ***Saturday, November 21 (at DUMC)***. Training opportunities, both online and in person, can be found ***HERE***. There is additional training for van drivers and attendants. Questions can be directed to ***Rhelda Richards***.
