

Year in Review

As our year winds down, let's reflect on the successes of Mesa's <Program>

Highlights

- Review any program events over the past year
 - Statistics of students who participated in any WE activities, conferences, any student awards
 - Discuss any new equipment that was introduced and how it benefited students this year
 - Point out any positive changes in equity goals for your program
 - Welcome any new hires and/or new IAC members
 - Student club activities
 - Link to any office of communications items about your program
 - Scholarship winners*
-

Graduation Statistics

- Number of Certificates Awarded
 - Number of Degrees Awarded
-

Graduate Spotlight

- Highlight a student that graduated - with student permission (great projects, WE activity, community involvement, inspiring story)
-

Employment Highlights

- List of where students are getting hired, positions (anonymized)
 - List of where students completed Work Experience
 - List any WBL activities with area employers
-

What's next?

- Events
- Highlight any changes in the curriculum that will be in place in the Fall
- Summer classes, Fall tentative schedule
- Any professional learning/conferences/work you/other faculty will be doing over the summer
- Identify areas you'd like to work on/goals for the next academic year

I would like to thank you again for your service on the <Program> Advisory Committee. This list of our accomplishments this year would not be as lengthy without your support and feedback in our IAC meetings.
