COLLEGE VISITS TO SALINE HIGH SCHOOL 2026-27

** As of September 9th. We will continue to add to this list as more schools continue to register with us*

- All sophomores, juniors, and seniors are welcome to attend our college visits
- Report to the Counseling Office and scan the QR code which will clear your attendance
    - You will need to bring your cell phones in order to scan the QR code
- All college visits will be in the Counseling Office, with the exception of Michigan and Michigan State which will be held in the Media Center
- What to expect when you attend a college visit:
    - It is a good practice to attend visits to colleges you want to explore, even if you've already visited campus. Generally, these are the people who will be reviewing your application, and it also shows interest.
    - They will last between 30 - 60 minutes
    - The reps will discuss their school in terms of: majors, tuition, campus experience, scholarships, etc. They will ask you your grade and what you are interested in studying in college. There will be time for group and individual questions at the end
    - If you are a sophomore or junior, this is a great way to begin the college search process
    - If you are a senior, this is a great opportunity to meet our admissions reps, continue to show interest in that school, get final questions answered, etc.
