

QUESTIONNAIRE

Where were you born?

When were you born?

What are you famous for?

Are you real or fictional?

RULES:

- Each participant must find their better half by filling in the form given on that purpose.
- Students walk around trying to find their better half. In order to do so, they should ask the questions given on a separate sheet. Once both of them have answered these questions, they should hand them to the teacher, who will check the answers.
- The use of Spanish is strictly forbidden.

PREPARATION:

- Students must draw a heart and fold it centrefold.
- On the left side, they have their complete profile, and on the right side, they have the INITIALS of their better half, followed by the gaps they have to fill, referring to the same facts.
- Each student gets ONE heart randomly, with NO DISCRIMINATION GROUNDED ON GENDER.

OBJECTIVES:

- Improve students' oral and listening comprehension skills.
- Improve students' writing skills.
- Improve students' knowledge about historical or culturally relevant characters.
- Foster social skills among students.
- Implement students' artistic competence.
- Celebrate FEB 14th, fully understanding the importance of this day all over the English speaking countries.
- Compare this celebration with students' own culture.
