

Creating a Claim¹

Let's introduce the idea of a "Claim" by working with scenarios from your own lives.

Scenario 1 proposition:

Should seniors be allowed off school property if they have directed study?

Follow this formula to create your Claim:

Subject = Seniors

Stance = should/ should not

Support = reasons why

Scenario 2 proposition:

Should students have to complete homework for grades?

Subject =

Stance=

Support=

Scenario 3 proposition: Should students be allowed to eat snacks between classes?
