Hey my friend! How are you doing? Are you winning?
Winning the game of life?

Trevor here, and I have a mission...[to help you see just how simple making money online can be!](#)

"I Twisted Glynn's Arm Until he Squealed!"

So today my fellow Brit and buddy, Glynn, released a really sweet new Done For You Product that is going to make it so much easier for you to make some real money, real fast. So here's the thing...

If you want to crush it as an affiliate, it's pretty straightforward...if you've been doing it for a while (like me and Glynn). But if you've not already had a decent amount of success, [then this is for you!](#)

Here's what you'll get with the brand new **30K Copy & Paste System**

30 prebuilt affiliate campaigns with custom **bonus pages AND bonuses** to give away! And professional promo emails too!

You **DO NOT need** a domain, or hosting, or to create any review videos...it's all done for you!

Secret free traffic methods - so even if you don't have a list, you can drive quality traffic to make commissions

You'll also get Industry leading, step-by-step training so you can get your DFY campaigns up & running ASAP

What's more, you can use the software included to create **YOUR OWN affiliate promo campaigns for ANY OFFER!**

And you get **100 premium bonuses to giveaway** - as many times as you like - to skyrocket conversions.

So this is a full Affiliate Business in a Box deal here, and for peanuts! Ridiculously cheap in fact.

But even though it's awesome, done for you, high quality, high converting and simple...as you know, I like to **SPOIL YOU ROTTEN**...so I twisted Glynn's arm!
