

Mrs. Manning
6th Grade
Math/ELA/Science/Social Studies

Hello students and parents! My name is Mrs. Manning and teaching is one of my favorite things to do and I am excited to be with you this year! This is my eighth year at CMS, but my 15th year teaching! I always wanted to teach students how to read and write. I went to college in Newburgh, NY at Mount St. Mary College for Elementary Education then got my Master's degree as a Reading Specialist at SUNY Albany. I will be teaching with Mrs. Chirkis this year and we LOVE to learn while having fun.

I am married to my wonderful husband, Mr. Manning and we have one dog, Earl. He is a silly dog and all he wants to do is cuddle and play. We all love the outdoors, especially in the summer when we go swimming and boating. In the winter, we love to go hiking and travel. When I'm not in school, I love to cook, golf with Mr. Manning, craft, garden and travel with my family and friends.

I'm very excited to be working with each of you this year. It is going to be a year filled with learning and many adventures. We can't wait to see what this year will have in store for us. Sixth grade will be so much fun!
