

Dress Code Information:

In the interest of having a safe, orderly school, which minimizes distractions and maximizes the learning environment, a dress code has been established for all middle school students in the Coweta County School System. Every middle school student is expected to dress and be groomed in accordance with acceptable standards of cleanliness and modesty.

1. Shorts, or skirts; the shorts or the skirt must be of appropriate length. Generally, fingertips should not extend below the hem of the clothing, maintaining modesty at all times.
 2. Low-cut tops and/or blouses are also not allowed.
 3. All shirts, blouses, and dresses must have sleeves.
 4. Clothes should not expose areas of the stomach, sides, or back.
 5. Holes on clothing above the fingertips should not expose skin.
 6. No items of clothing are allowed that may be affiliated with gang activity, as defined by administration and law enforcement.
 7. No "hardware chains" may be worn as belts, wallet chains, or jewelry. No chains of this type are allowed on school campus or at any school function.
 8. No bandanas may be worn or displayed during the instructional day.
 9. No items may be worn with inappropriate pictures, symbols, or lettering. This includes, but is not limited to depictions of alcohol, drugs, or weapons. Statements that might be deemed offensive to others are prohibited.
 10. Pajamas, lounge pants, and/or house shoes or slippers may not be worn to school unless approved by the administration during special occasions.
 11. Shoes with wheels may not be worn to school. Other shoes that may present a safety hazard are not allowed.
 12. Undergarments should not be visible.
 13. Hats, bandanas, hoods, sunglasses, stocking caps, and other head coverings are not permitted.
- If a student is in violation of the dress code, he/she will be given the opportunity to correct the violation. If the student fails to correct the violation, he/she may be asked to call home for appropriate clothing and/or may receive disciplinary consequences as determined by the administrative staff.
