

SSS Department Action Plan: Support for Student Personal and Academic Growth

Student Connectedness — Personal and Academic

Students are connected to a system of support services, activities, and opportunities at the school and within the community that meet the challenges of the curricular and co-curricular program to ensure academic success and achieve the schoolwide learner outcomes.

Strategies and Goals:

(THE SSS DEPARTMENT CHANGED THE GOALS AS THEM TO USE THE GOALS IDENTIFIED AND DID NOT REFLECT ON THE GOALS) ASK THEM TO REFLECT ON THE GOALS BELOW

- a. ICS will expand the capacity of Student Support Services to meet the individual needs of our current and future students.
- b. Student Support Services will offer useful information including documents, flyers, and guides to promote greater engagement and inclusion amongst our community, and improved perceptions of the nature of SSS.
- c. ICS will streamline the SSS referral process to ensure there is efficiency and effectiveness with gathering information and planning for evidence-based interventions.
- d. The SSS team will strategically review data both within the team and with teachers and administrators to gain an overview of student attainment and identify additional students who require support, any patterns that may be inhibiting progress

GOAL: ICS will expand the capacity of Student Support Services to meet the individual needs of our current and future students.
