

Mr. Stoll
Principal
Minden Elementary

I would like to wish everyone a Happy and Prosperous New Year! While 2020 gave us some challenges, I'm so proud of our students, staff, and families for their perseverance and the genuine desire to be in school.

Please welcome our new music teacher, Heather Kuehner. We are excited to have her join us for the remainder of this year and the first semester of next. Welcome Miss. Kuehner!

Staff Vision Statement

We come to work at MES to make a difference, to show children the possibility of a bright future, so they know their possibilities are limitless.
