

Dear Families,

Our district values your feedback! We are surveying MAPS families during the month of April to gain insight into your perception of our school and district effectiveness. To ensure we continue to provide high quality, rigorous learning experiences that meet the needs of our learners and prepare them for college and career, we need your feedback. We want to know what you think.

To administer these surveys, we have partnered with Panorama Education to conduct our 2025-26 Family Survey. Panorama safeguards your privacy, keeping your responses confidential. The survey shouldn't take more than a few minutes to complete, and will be a valuable source of information for us as we work to make our schools and district as good as they can be.

You may complete the survey online between April 1, 2026 and April 30, 2026 using a computer, tablet, or smartphone by visiting the website:

<https://surveys.panoramaed.com/mankato> and entering your school's access code:
