

Let's give this one more shot...

I thought this would be a good way of keeping me organised with duets. I think I've got more requests than that, but I feel a little bad because I can't remember some of them. But yeah, if you have a request for me, then please write down the request under that title? Same with duets if you're interested in doing one with me (And if you could leave your youtube name so I can find you. Thank you <3)

Hi Rachiedian it's me Sayaka Ichigo Kamishiro (aka RioKamishiroMay-LuKAILA Ok a little while ago I asked you to do Maid of Evil by Rin Kagamine with the second classical version as the backtrack which be so lovely but I was wondering two things could you do Prince of Evil with to (the original Daughter of Evil backtrack not the jazz waltz) & if you could please use m lyrics (on both or just the Maid of Evil at least). I know you probably get really tired of me asking this same question but it be really awesome to have my favorite singing (NO joke) sing my lyrics. & every time you've seen me sing it's in song I sucked at & the lyrics were never worked on them but my Daughter of Evil/Prince of Evil & Servant of Evil./Maid of Evil lyrics are my my first fandub lyrics & I have had almost two years to perfect them. There my most proud of achievement & I'm very proud of them. If they don't work for you can edit them slightly I don't even ask for credit for them that's how much I just want to your lovely voice sing them. Anyway they say it never hurts to ask so hopefully you at least take the time to see this. Forgot the important part the lyrics are in my discussion section of my Sayaka Ichigo Kamishiro YouTube page if you don't use them I understand. (but it be really cool if you did) but could you at least take a little' lookie it be really nice. Anyway Good luck on your next song you'll ROCK <3

Hello there, GIGA-XISBASS here, I was wondering if you could you maybe do a full english cover for the Soul Hunter opening Will by Chihiro Yonekura please? The only other person to make one never completed theirs as it was a 1:30 minute preview which meant they had a longer one in the works but there hasn't been any activity from them in 4 years and the preview was done 7 years ago. I'd greatly appreciate it if you could as I've been looking for someone to finally do one, and hopefully inspire others to follow with their own covers. Thank you.
