If you ever wondered what an actual vaccine Nazi looks like in modern-day America, get a good look at this Karen. This is what the Holocaust looks like in America: Power-hungry lunatic left-wing women demanding that men with guns round up all their political opponents and throw them into concentration camps. Conroy would have felt right at home in Nazi Germany, circa 1939.

Never forget how the Nazis declared their opponents to be mentally deficient so they could throw them into insane asylums and have them exterminated. It seems like it's always the people running the mental health sectors of society who are the most insane and power hungry, doesn't it?

Dear tyrant,

Your mandate is an offense to every American past and present. This is not Russia or China so you have no tools here to lock up unvaccinated. However your words speak of the tyranny your type lives for. Tyrannical people like you need to be locked up and have the key thrown away. Hope you and your family sleep well knowing you hit the top list of the most hated people on the planet.

That was the nice me, the real me wants to put you in the ground with the rest of your friends. Fucking -icee of human waste.

I'll make this short and sweet. You are INSANE. If you think for one moment that your draconian bill has a chance of being brought up on the floor is wishful thinking. Do you want to see a revolt by your own constituents (woketards)? There are way to many non vaccinated non woke people in your district who WILL NOT COMPLY. Just who is going to enforce your deranged mandate? Good luck on that one.
I wish you a long life. 🙄🙄🙄

I read that you are calling for concentration camps.
How very fascist of you!.

I want to take this opportunity to inform you about what inevitably happened to one of your fellow fascists, Benito Mussolini.

After his reign of terror, his own people, hung him and his wife upside down naked, in a square in Milan.
His people then beat them to death over a period of days and left their corpses hanging, to rot.

Coming soon to a concentration camp near you.
Go ahead, honey, we Americans dare you to try this.

....and if you do try, be sure to be right out in front, rounding people up.
Be sure to alert the media about every one of your fascist actions.
Memories are long, rope not so much.

Just a friendly PSA from an American.

PS Is your mother proud that she raised a little nazi?

Dearest Furher or Furhes,

Thank you for your concern about saving the unvaccinated from exposure to those afflicted with the great experiment on their immune system.

We have now seen the evidence of the crimes against humanity global governments have coordinated in an effort to make the transmission of COVID-19 easier to folks that have the intellectual and intestinal fortitude to stand up against centralized authoritarian global governance. With more deaths in 2021 than 2020 despite the cash grab by big pharma in conjunction with governments around the world and "experts" providing a magic elixir and centralized federal treatment mandates at hospitals; people like you have done more harm to human rights in the last two years than anytime in the last 500 years and we thank you because a life in subservience is much more rewarding than chasing a dream of financial and intellectual freedom.

We truly appreciate you standing strong against President Poopy Pants promise of a "winter of death." By protecting the free thinkers and keeping us safe from the effects of the immuno-suppressant, you are truly a person for the people.

With great and undying love for your sacrifice thank you, thank you, thank you.

An appreciative citizen,

JH

If figures that a Marxist totalitarian like you represents the Peoples Republic of Illinois.

Do the world some good. Spend more time on your hobby of fellating Rottweilers, and less time dreaming up Fascist wet dreams of quarantine concentration camps.

Conroy, you are a detestable goose-stepping NAZI (National Socialist). Go to hell where you belong! When sanity returns to the USA I pray God you are tried for crimes against humanity as catalogued in the Nuremburg Code.

Your attitudes madame are detestable, despicable, and disgusting as any of the the totalitarian dictators of the last century. Arrest the "unvaccinated?" GO TO HELL!!!!
