# Instructions for Authors: Revision via JAREE website

1.	Make sure you can view reviewers comments at the end of the "Editor Decision" email sent to you. Revise your paper accordingly and **show revised parts in your paper using red color** and fill the revision list based on this template: https://its.id/AuthorResponse_JAREE. Combine this two file into a single file of your revised paper. .	
2.	To upload your revised paper: Login to http://jaree.its.ac.id/index.php/jaree using your username and password.	
3.	Find your paper via link attached in your email. Alternatively, click "User Home" tab on top part of the website. Find your paper with the status of "Active" or "In Review" with your role as "Author".	

3.	Click the "In Review" button.	
4.	Choose and upload your revised paper **(please upload the .doc file version)**.	
5.	If successful, you will see your file with the code "XXX-XXX-X-ED". This also means an automated email has been sent by the system to notify editor that a review has been uploaded by the author.	
6.	Additional step: You can include a response email to the editor and reviewer by clicking the email icon and edit the prepared email accordingly.
