

HSFI CAREER WEEK BEGINS

In celebration of National Internship Awareness Month and HSFI's annual tradition, Career Week is launching Monday, April 11th. Students will watch interviews from this year's Industry professionals showcased in their Career & Technical Education Majors classes. We also feature interviews with colleges, information about our Work-Based Learning Program as well as resources and tips for success. The Advisory Board of the High School of Fashion Industries is happy to present this showcase to the HSFI community.

The virtual career week event link is <https://www.hsfi.nyc/careerweek> and will unlock on Monday, April 11th!
