

Subject line: Here's The Free eBook You Signed Up For...

So you've finally decided to join this newsletter.

You will learn many things that will last you for your entire life.

Such as **attracting the woman you desire at first glance and banging her anytime you want.**

In the next email, I'm going to share one of my most successful stories with you.

I'm not going to tell you what it's about yet, but...

I promise you're going to love it, and you're going to walk out the other end feeling even more confident with women.

It will appear in your inbox at 7:00 PM UK time tomorrow.

Stay tuned.

Now, enough of the chit-chat, here's what you signed up for...
