

Privacy Policy for Lumina

Effective Date: April 24, 2026

1. Data Collection and Usage

Lumina is a daily motivation and inspirational quote application. We prioritize your privacy and aim to provide a safe user experience.

- **Personal Data:** The application does not collect or store any personal identification information (such as your name, email, or address) on external servers.
- **User Preferences:** Data regarding your "Favorite" quotes is stored locally on your device to enhance your experience.
- **Advertising:** We use **Google AdMob** to serve advertisements. AdMob may collect and use certain data (such as your device's Advertising ID) to show relevant ads and for analytics purposes. This data is handled according to Google's Privacy Policy.

2. Data Storage and Retention

- **Local Storage:** All quote preferences and favorites are stored exclusively on your mobile device. We (the developers) do not have access to your saved quotes.
- **Cloud Servers:** We do not host any of your personal activity on external cloud servers.

3. Data Deletion and Control

Since your personal app data is stored locally, you have complete control over it:

- **Manual Deletion:** You can manage or remove quotes from your "Favorites" list at any time within the application.
- **Full Deletion:** Uninstalling the Lumina application will permanently delete all locally stored data, including your favorites and settings. We do not maintain backups of your local data.

4. Third-Party Services

Our app uses third-party services that may collect information used to identify you:

- **Google Play Services**
- **AdMob**

5. Changes to This Policy

We may update our Privacy Policy from time to time. We recommend reviewing this page periodically. Changes are effective immediately once posted on this page.
