

Art Textiles Year 12

Independent Study

Estimated Length of Time: 5 hours minimum

Learning Outcome: To develop strong evidence in the sketchbook for AO1 develop and AO3 record

Links to Prior and Future Knowledge: You have been working on your Independent Study project in Term 6 lessons, this summer work will enable you to fully develop your project so far.

Instructions:

Please spend the summer break gathering your research for your personal investigation.

This is an excellent opportunity for you to visit exhibitions and really thoroughly get to grips with your chosen theme. You should return to school in September with a range of research to work from and inspire your design ideas.

In September we are expecting to see;

- A mind map
- An inspiration page
- 2 visits to exhibitions
- At least 4 larger drawings relevant to theme from observation
- At least 2 photoshoots relevant to theme
- At least 1 Artist/Designer Research pages.

Remember- Have fun and enjoy investigating your chosen theme. (If you are loving what you do it will show in your work)

You should spend 5 hours minimum on this work

Related Study (Essay- 3000 words)

October half term is the deadline for the first draft of your related study, as you are investigating and researching your personal investigation, please look for and keep any research that is relevant to your related study. This will make your first draft much more manageable in Term 1 of year 13
