Subject: TheDream.US Scholarship Renewal Now Open

Dear Scholars,

Hope you're having a great start to the Summer!

Please be advised, TheDream.US Scholarship Renewal Process is now open. You must submit your Renewal Form by Monday, June 24 to receive funds for the next school year.

You should have received an email from ISTS with the link to the Renewal Form and instructions on how to renew your award. If you do not see the email in your inbox, please check your spam/junk folders. If you still do not find the message, you can access the Renewal Form directly by logging into your ISTS Scholar Portal.

If you do not submit your Renewal by the June 24 deadline, you will lose your scholarship. So do not wait to submit.

Equally important, once submitted, make sure you check your ISTS Scholar Portal periodically to track the status of your renewal and transcript upload. You must confirm that your Renewal Form is "complete" to ensure it will be reviewed by TheDream.US.

Renewal decisions will be emailed in late July/early August.

Note: If you've graduated, you still need to complete the Renewal Form and decline the Renewal. It is important that TheDream.US has an accurate record of your graduation to update your Scholar account. This data and your success is what raises funds for the next generation of Scholars.

If you have any questions or concerns, please feel free to reach out to me.
