

IFAA Pacific Region Field Archery Championship and NZFAA Marked Nationals

This year's event was held at Mt Tiger Archers – Whangarei

The Mt Tiger Team did a wonderful job hosting the 72 archers of which 9 Australian ABA members flew across to join in the fun.

The event was a combined event including the IFAA PRFAC, The NZFAA marked Nationals and also the completion of the NZFAA marked league series.

The PRFAC event was held over three days and included three rounds – IFAA Field, Hunter and Animal.

The NZFAA event was held over two days using the IFAA Field and Hunter rounds.

The competition culminated in some excellent scores and results with numerous records broken.

Of specific note showing some excellent shooting was Stephen Florence.

Stephen set a new record for AMFU IFAA Hunter of 554 breaking the past record set by Eamon Gaffney of 549 set back at 2003

He also set a new record for AMFU IFAA Field of 556 breaking the past the record of Wayne Funnell of 545 set back in 1992 and breaking the existing Pacific region record.

He also shot a perfect IFAA Animal round of 560.

Over the three rounds he only dropped 10 points out of a total 1680 and with the highest adult score was the NZFAA tournament Champion for the Event.

The next Highlight was Levi Wesford shooting in the YAMFU division.

Levi matched the existing Pacific Region record for animal with a perfect round of 560 then broke the existing NZFAA and Pacific region records for both Field and Hunter (539 and 544) of which the Field round of 539 broke the existing IFAA World Record.

The next two Archers are Zachary Aldred and Christine Finnegan.

Zachary Aldred from Australia – ABA set three Pacific Region and three World Records in the YAMBB-C division

Christine Finnegan set three Pacific Region and three World Records in the SFBH-R division

In total of the 72 Archers:

- 33 divisions
- 32 gold, 12 silver and 7 bronze medals for NZFAA
- 33 gold, 14 silver and 7 bronze medals for PRFAC
- 16 archers set 32 new NZFAA records
- 18 archers set 38 new Pacific Region records
- 3 archers set 5 new World records
- 5 archers shot perfect scores in the Animal Round

The event did require a shoot off between Simon Young and Wade Russ for third place in the AMBU division. This involved everyone watching as these two battled it out with Simon placing third and Wade taking fourth place.

There was also two other side competitions taking place during the event.

IFAA asked to trial a new event – Corporate teams, which involved creating teams of four archers. Each archer representing one of the four grouped shooting styles – Freestyle, Bowhunter, Non-Sighted and Traditional.

Each team members round results were compared the world record listing for their respective division creating points for their team, with the winning team having the highest points.

Three corporate teams were entered each having entry fee of \$400 into the event pool.

The winning team – “Go Lakeview”, consisting of Ben Martin (AMFU), Simon Young (AMBU), Regan Walters (AMBB-R) & Dave Nicholson (AMTR) took out first place. (\$780)

Second place – “Team Attitude”, Linda Lainchbury (AFFU), Lyall Lainchbury (SMBL), Christine Finnegan (SFBH-R) & Cyrille Leveque (AMLB). (\$420)

Third place – “Straightline Archery”, Justin Eastwood (AMFU), Damian Ormiston (AMBU), Zachary Aldred (AMBB-R) & Lindsay Yuile (AMLB). (\$0)

The last but equally important event was the Trans – Tasman IFAA trophy

This event involved matching a NZ archer against one of the Australian archers competing in the same division. Each archers cumulative score over the event was added together for both the NZ team and Australian team with the highest team score being the winner.

In this event the NZ team was determined by the NZFAA registrar attempting to match archers of a similar competence to that of their Australian counterpart.

Selection was made prior to event starting and only the Australian team knew whom they were competing against.

The winning team for 2022 was New Zealand, 10145 to 9966, with only 179 points between two teams of 7 archers each.
