Media Center Update: Book checkout has ended for the year. Families, please encourage your scholars to turn in their library books. Scholars can check to see if they have any lost or overdue books by going to the Media Center Canvas course and clicking on the "Search Destiny" button. They can drop their books off at the media center on their way to homeroom.

Donors Choose: Please consider donating to this Donors Choose project to provide more library books for the school. We need only \$190 to fund this project!

Technology Update: Families, please encourage your scholars to take good care of their Chromebooks and chargers. We are continuing to see a high volume of breakage. If you need to report an issue with your scholar's device, use this link: <https://bit.ly/JMA-CIR>.

Thank you for your continued support!
