

Terms of Use

This application is developed by Jarraar Baqi . By downloading this app from the Apple App Store, including any updates or enhancements, you agree to comply with these Terms of Use. All rights not explicitly granted herein are reserved by the licensor.

LICENSE SCOPE

You are granted a non-exclusive, non-transferable, and non-sublicensable license to install and use the app on any Apple-branded device you own or control, in accordance with Apple's Usage Rules and the App Store Terms of Service. This license also covers usage by accounts linked via Family Sharing or volume purchase programs.

The licensor reserves the right to update or modify the licensing terms at any time.

These terms do not override any applicable third-party terms. You are responsible for ensuring compliance with all relevant third-party agreements when using the application.

DATA USAGE

By using the application, you acknowledge and agree that the licensor may access and adjust downloaded content and personal data in accordance with the [Privacy Policy].

USER CONTRIBUTIONS

Any content, feedback, or suggestions you submit may be stored, processed, and used by the licensor in accordance with the [Privacy Policy] and your selected preferences.

By submitting feedback, you grant the licensor a royalty-free, perpetual, and non-exclusive license to use, reproduce, and share it, without compensation. However, you retain ownership of your intellectual property.

You are solely responsible for your submissions. The licensor assumes no liability for the content you contribute.

TERMINATION

This license is effective until terminated by either party. It will automatically terminate without notice if you violate any of the terms. Upon termination, you must discontinue use and delete all copies of the application from your devices.

INTELLECTUAL PROPERTY CLAIMS

If a third party claims that your use of the application infringes on their intellectual property rights, the licensor will be solely responsible for investigating, defending, resolving, or settling such claims.

REFUND DATA SHARING

To process refund requests for in-app purchases, anonymized data may be shared with Apple. This may include:

Time since installation,

Total app usage duration,

Anonymous user identifiers,

Total amount spent and refunded.

No personally identifiable information is collected or shared during this process.
