

KDF Youth Program

Q&A: “Getting to Know You”

Chris Yoo - Intern

1. **What's your name, and where are you from? Tell me something you enjoy about where you live!**

My name is Chris Yoo and I was born in Boston, MA. I really enjoy the calm atmosphere and the friendly people.

2. **Who are your all-time favorite bands/artists? Any reason they're especially important to you?**

I love Hans Zimmer, I think his movie soundtracks are great.

3. **What are your all-time favorite movies and TV shows—the ones you recommend to everyone?**

I loved watching Tenet and Dune, both movies based on books.

4. **What are your interests/hobbies?**

I love playing Squash competitively and playing the saxophone.

5. **What are your favorite subjects in school? What career are you interested in?**

I love English and Chemistry at the moment, but I am interested in a career in business or finance.

6. **What’s something random or surprising about you that not many people know?**

I played 5 different sports when I was a kid: Fencing, Swimming, Tennis, Basketball, and Squash.

7. **What are some qualities you really like about yourself (personality, talents, quirks—anything)?**

I would have to say my grit.

8. **What brings you joy in life?**

Seeing my hard work pay off is really rewarding to me.

9. **What’s one goal or dream, or several goals or dreams, you have for your future—big or small?**

One goal is to start my own business by the time I graduate college!

10. What strengths do you feel you bring to the KDF Youth team?

Organization, responsibility, and curiosity.

11. Where do you think you could grow or improve (personally or professionally)?

Focusing on a singular objective instead of multitasking continuously.

12. Why did you want to get involved with KDF Youth, and what are you hoping to get out of this experience?

I wanted to get involved with KDF Youth because I contracted KD when I was 5 years old. I hope to give back to the community that helped me so much when I was a child.

13. What topics or types of projects would you be most excited to work on here?

I'm excited to focus on awareness projects that spread awareness about KD.

14. What makes you feel safe and supported in a group setting?

Friendly people!
