Privacy and Terms

By choosing "I agree" below, you agree to Google's [Terms of Service](#).
You also agree to our [Privacy Policy](#), which describes how we process your information, including these key points:

Data that we process when you use Google

- When you set up a Google account, we store information you give us like your name, email address and telephone number.
- When you use Google services to do things such as write a message in Gmail or comment on a YouTube video, we store the information that you create.
- When you search for a restaurant on Google Maps or watch a video on YouTube, for example, we process information about that activity – including information such as the video that you watched, device IDs, IP addresses, cookie data and location.
- We also process the kind of information described above when you use apps or sites that use Google services such as ads, Analytics and the YouTube video player.

Depending on your account settings, some of this data may be associated with your Google Account and we treat this data as personal information. You can control how we collect and use this data at [My Account](#) ([myaccount.google.com](#)).
