

Extra Credit in Early Modern History:

Each semester, you can earn up to 25 points of “quiz” extra credit. In order to earn extra credit, you must watch an educational video from Hillsdale College in a related course. You must first watch the video, then take the quiz, scoring an 80% or higher. A **parent** must then email me a screenshot of your quiz score. Each video/quiz will be worth 5 points, so in order to earn all 25 points, you must watch 5 different lessons and take 5 quizzes. The following courses are acceptable and will relate to our studies this year:

- Western Heritage: From the Book of Genesis to John Locke
- Theology 101: The Western Theological Tradition

All extra credit should be turned in (by a parent) no later than 12/6 for semester 1 and 5/9 for semester 2.

This assignment is completely optional and is **NOT** required.
